

ABOUT STEPHEN

Having retired from the Royal Mail Stephen lives in East Oswestry and served on Oswestry Town Council from 2021 to 2025.

Stephen Froggatt

Stephen was shocked to see that the **Lib Dem Councillor elected to represent Carreg Llwyd six months ago, resigned having never attended a single meeting.** This means you are not being represented when important decisions are being made about your area. It has led to this **by-election which will cost the Town Council around £10,000 to £11,000.** That is your money which should have been spent on improving our town centre, upgrading our CCTV, or providing better facilities.

Having been a Town Councillor Stephen knows the commitment involved **by attending 97% of all meeting on the last term he attended more Council meetings than any other Councillor.**

Support Stephen on Thursday the 20th November.
